

NECSA
Membership Benefit
Credit Card Program

Is credit card acceptance costing you too much money?

NECSA partnered with First Data / Sovereign Merchant Service (FDMS) to provide members with the most competitive MasterCard & Visa rates available. FDMS specializes in tailoring credit card acceptance programs to the specific needs of your business. Advanced solutions include online debit, electronic check acceptance, EBT, and high speed, customer activated terminals. In addition to merchant processing, FDMS offers a product which allows merchants to take advantage of the fastest growing payment option – Gift Cards! Merchants can choose standard or custom cards to begin a program and start increasing incremental sales. As the recognized industry leader, FDMS provides the best products and services at the most competitive rates.

Average Estimated Member Savings - \$30 - \$80 / month
